BANKRUPTCY COURT-JUSTICE HUMPHREYS

Eng size.—Thomas Morrow vs. C. C. Duncanson; for account, for account, and the country. In the matter of the Chapid Publishing Company, Mr. George Hill, ir., petitioned that they be ship-diped bankrapt. His Honor delivered the fall-borting opinion in the case association into hank-ruppey on the ground that the company is a manufacturer or ares manufacturers.

I take if that when the legislative power of the country uses language familiar to those upon distinct with the language familiar to those upon a successful to the common understanding of those acquisitions with the language familiar to those upon. A manufacturer is one who uses raw make-tal. The word is derived from manus, the hand, and facts, to form or nake.

The petition in this case has been amended by leave first had and obtained by striking out "trade" and tuesting "manufacturer." What does a printicely desired the string "manufacturer, it is the mode and manuse of making an impression upon some manufacturer article. The raw material is first to be wought into shape and condition by manufacturers, then the intelligent impression is to be mode and manuse of making an impression upon some manufacturer article. The raw material is first to be wought into shape and condition by manufacturers, then the intelligent impression is to be mode and manuse of making an impression is to be mode and manuse of making an impression upon some manufacturer than the intelligent impression is to be mode and manuse of the honor of the string of the modern may be -that language will be of honesty and virtue and integrity and chastity. Now, after the manufacturer has put forth and forward his productions, what is to become of his material deviated in the string will be of honesty and virtue and integrity and chastity. Now, after the manufacturer has put forth and forward his productions, what is to become of his material deviated in the string of the conductors. It is true that fraud may be inquired into in the Bankrupter and integrity and chastity. It is not that fraud m

amine a witness that has not been examined in chilef.

The Court. You cannot do that.
Gen. Butler. I want to find out who was the beed devi in this thing.

tion. Butler, I want to man the devil in this thing.

THE DEFENSE.

The defense called Theodore Welchceitsum, who is a merchant and berever, residing in Kansaa. He was brought here by the Government. He knew Briain previous to 1864 and was engaged in freighting. Then he had a train of mules on the plains, the best that was there that easier. It was not deep the control of the co

That was in July, 1864, and they were gone about the days.

He testified that several men, owning or pretending to own trains, came to the fiteerst, asking for escorts. He said that he had more, and they must go on. He told Mr. Briant's wegon emaster that his atores were needed at Fort Union, and he must go forward with them. Williams was present at that time and heard the order of the General. They men Mr. Briant the second day after at Cow Creek. He came on the Sania Fe coach, and was looking for his train.

Mules were bought by the span, and were worth, at that time, from \$500 to \$500. They heard of an attack on a train at Cow Creek unite or ten days before they got there.

Fort Larned. When they reached Big Crow Creek they learned that the indians were had shead of them, and they remained there nine days, and part of the time were surrounded by Indians. Two men were killed. Hearing that Gen. Curits was at Pawnee Fort, they hereby up and went over to him, eatching up with him at Walnut Creek, and they all encamped at Pawnee Fork. He demanded an escort of Gen. Curits to go West with them.

hem. At this point the court adjourned. \$10 BEAVER Overcouts, EINEMAN's, 7th and E.

Shirts for Holiday Presents. Who does not like a well-fitting shirt? It has been computed that there is more awearing over misfitting shirts than all the other evils which over misfitting shirts than all the other evils which mun "is helf to." As will be seen by our advertising columns, the well-known house of W. N. Lawrence & Co., No. 102 F sirret northwest, guaranteed to fit every patron or will refund the money in case they fall to do so. Their stock of shirts is complete in every respect, and as the prices have been cut down to satil the times, they should be liberally encouraged. Their stock of gent's truttaining to make a suitable holiday present should give them a call.

Evening School at the Y. M. C. A.

The intention of the Young Men's Christian Association to commence an evening school for youths is a very commendable one and a work that the association can well perform. It proposes to hold the sessions of the school three evenings scale week, on Mondays, Wednesdays, and Pridays, from 7:30 to 8:30, in a room in its building well adapted for the purpose. The branches of study will be arithmetic, United States history, geography, and elementary philosophy, with exercises in other branches. The tutor will be Mr. H. H. Kerr, a young gointeman of good experience and a graduate of Yale College. The price for tuition will be only fifty cents a week, or a sustaining menthership tukes will admit. This is a favorable opportunity to many, and dontiess advantace will be taken of it. Names should be sent into the association is prepared also to organize classes in French, German, phonography, unathersens.
